Attendees: Anne Sullivan, Frank Ponti, Joe Ingerson-Mahar, Chris Gilbert, Craig Kane, and Marilyn Patterson

Old Business:

Anne and Joe discussed the information presented at the Employee Concerns Meeting. They emphasized that all injuries must be reported immediately no matter how minor. They also stated that we are all legally responsible for information that we circulate in emails.

The posters and essays for the Environmental Contest must be to us on June 4th. We will meet that night to select the winners. Chris Gilbert will be making the awards at graduation. Marilyn will photograph the winning posters and will send the photos and the essays to Ed Masker for posting on the Alloway Township Website.

We agreed to update the Environmental Commission's brochure and post it on the Township Website and make it available to hand out.

BRC Meeting: No one from the Environmental Commission attended the last BRC Meeting. A question was raised as to whether the BRC knew that the gazebo and part of the dock were being removed.

Ag Meeting: No meeting was held.

Planning Board: HKS has received final approval. The Township can still appeal it. No answer has been received from Mr. Albano concerning the email Joe sent regarding the offer of The Eastern Environmental Law Center to provide free legal help.

Meeting was adjourned.
