

Alloway Township Environmental Commission  
Regular Meeting Minutes  
August 12, 2024

**Attendees:** Chairwoman Debbie Dilks, Frank Ponti, Committeeman Chuck Angelus, Autumn Angelus

**Excused:** Chris Gilbert, Craig Kane, Renee Waters

**Guests:** Brian Demarest and Larry Massey

Meeting Called To Order at 7:03 pm

April and May minutes were read aloud by Autumn and were accepted as read on motion by FP, and 2nd by CA; there was no quorum in June and the July minutes are tabled until September.

**Announcements/ Correspondence:**

- Thank you card from Lizzy Kuhar for the EC Award.

**Discussion-**

*Old business:*

- Addendum to the ERI turned over to DD to be edited by the group before being added to the ERI officially, written by CK.
  - The EC thanks Craig for his hard work in this endeavor. We will work to edit and bolster this document, as needed, before finalizing this product.

*New business:*

- There was a meeting on July 9th at Woodstown Diner regarding the plans for Camp Roosevelt. FP brought maps of the Camp Roosevelt proposed sites and notes from the meeting with the interested company, 'Getaway'. The company is not interested in the entirety of the property. We discussed the conversations and questions at the meeting and reviewed the map.
- FP also reached out to the NJ Land and Water Trust regarding the property to see if there was interest. Their attention is on the property and they will be shifting focus to it.
- Planning Board: there will be a meeting on Wed. regarding the fee schedule and some small items, but nothing that impacts the EC.
  - Last month there was a request for relief from the Paradise Lakes homeowner, though she cannot go through the Twp.
  - In addition, last month the planning board approved the construction of a pole barn on Lakeview Drive, with conditions.

Next meeting: September 9, 2024

Meeting adjourned at 8:45pm.
